

Dear Lordstown parents,

Our students and staff are getting ready for Red Ribbon Week® 2019. Red Ribbon Week is the oldest and largest drug prevention campaign in the nation! This year's theme is *Send a Message, Stay Drug Free*. At school, students will engage in activities that promote a drug free and healthy lifestyle.

Children of parents who talk to their teens regularly about drugs are 42% less likely to use drugs than those who do not; yet, only a quarter of teens report having these conversations. Red Ribbon Week® is your opportunity to start these important conversations.

Please collaborate with us and discuss this message at home, at the dinner table, at family outings, and with friends and extended family.

Visit www.redribbon.org to learn more about Red Ribbon Week® for tips on talking to your kids about drugs.

Attached you will find the different themes for each day of Red Ribbon Week. We encourage each student to participate for a fun filled, educational week!

Thank You,

Lordstown School Counselors
