

Announcing our new Lordstown Summer Camp!

We are happy to inform you that starting this June Wee Care Day Care & Learning Centre will be holding Summer Camp at our new Lordstown elementary school location!

Have your little ones join us for some fun in the sun as they learn, play, and grow. Our campers will be provided with lesson plans and stimulating activities, while parents can utilize our “tadpoles” electronic check in system, so they never miss a thing. This summer camp is for ages 3 to 10 years old, with full and part time spots available!
